During a telephone conference on July 28, 2004, the undersigned informed SPRE Zele that Applicants' response of February 17, 2004, may have been filed with the wrong serial number. Applicants request that, if Applicants' Response of February 17, 2004, is found in U.S. Serial No. 09/480,172, that the Response be moved from the 09/480,172 file to the 09/479,913 file. Applicants further request that the response of February 17, 2004, be processed as Applicants' response to the September 16, 2003, office action. Applicants further request that the Holding of Abandonment of the present application be withdrawn as Applicants response of February 17, 2004, was timely filed.

No fees are believed due with this request to withdraw the holding of abandonment. However, if fees are due, the Commissioner is authorized to debit our deposit account no. 19-0733 in the appropriate amount.

Respectfully submitted,
